

Human-Computer Interaction

Statement of Accomplishment

Login ID: vcrosson@mit.edu

Name: Vicki

Congratulations! You have successfully completed the apprentice track of the online Human-Computer Interaction course, offered May through July, 2012. To successfully complete the apprentice track of the course, students were required to watch lectures and take weekly quizzes. Your score was as follows:

Weekly Quizzes: 19.0 out of 19

Sincerely,

Scott Klemmer
Associate Professor
Computer Science Department
Stanford University

Please note: This online offering of Human-Computer Interaction does not reflect the entire curriculum offered to students enrolled at Stanford University. This document does not affirm that you were enrolled as a Stanford student in any way; it does not confer a Stanford grade; it does not confer Stanford credit; it does not confer a Stanford degree or a certificate; and it does not verify the identity of the individual who took the course.
