

TEST ANNOTATION SHEET

Tester Identification: USER#1 (Carlos Jiménez)

Tester Order Test: 1

Application / Alternative: Alternative 1
(Navigation tree)

Notes: _____

Start Date/ Time: 13:36

Break Time (if applies):

Start Date/ Time: _____

End Date/ Time: _____

End Date/ Time: 13:41

Collected data:

User was able to finish the task successfully: Yes ☐ No ☐

User required help to finish the task: Yes ☐ No☒

Indications of frustration (Nb of times):

Indications of joy (Nb of times):

Non critical errors (Nb of times):0000

Critical errors (Nb of times):

Annotations:

Very quick transition between pages, it seems user only fast-read title and key words to evaluate what to do.

Several non critical errors were done due to its quickness, but has been immediately solved with Back button or similar.
