

**STUDY TITLE: PICCHALLENGE USER TEST #1****Protocol Director:** Carlos Recuero.

**DESCRIPTION:** You are invited to participate in a **research study** on PicChallenge, a web application where weekly a Challenge will be launched with a different issue. The most popular photographic will win. You will be asked to do a specific task using the web application, think-aloud while you are doing it and have a post-test interview. Your task and interview will be audiotaped for a later analysis. This information, as well as the knowledge extracted from them, will be used and published on a Usability course.

**TIME INVOLVEMENT:** Your participation will take approximately 30 minutes.

**PAYMENTS:** You will receive our most sincere thanks as payment for your participation.

**SUBJECT'S RIGHTS:** If you have read this form and have decided to participate in this project, please understand your **participation is voluntary** and you have the **right to withdraw your consent or discontinue participation at any time without penalty or loss of benefits to which you are otherwise entitled. The alternative is not to participate.** You have the right to refuse to answer particular questions. Your individual privacy will be maintained in all published and written data resulting from the study.

**CONTACT INFORMATION:**

**Questions:** If you have any questions, concerns or complaints about this research, its procedures, risks and benefits, contact the Protocol Director.

I give consent to be audiotaped during this study.

Please initial: ☒ Yes ☐ No

I give consent for tapes resulting from this study to be used for doing an assignment to be published in a Usability course:

Please initial: ☒ Yes ☐ No

I give consent for my identity to be revealed in written materials resulting from this study:

Please initial: ☒ Yes ☐ No

**The extra copy of this consent form is for you to keep.**
